Narrative Report

Common original narrative for:

DR: 18-34013 DR:18-34014

On 09/18/18 at approximately 1337 hours I Officer Scott, PD306, along with other officers was dispatched to 100 S. 7th street to a report of a fight in progress involving at least four subjects. I proceeded in my marked patrol unit with lights and siren activated.

Upon arrival on scene I observed Ofc. Foote with one subject detained. That subject would later be identified as Bryan Stough. As I approached Ofc. Foote I saw Stough was handcuffed and seated on a pylon. As Ofc. Foote started speaking with me Stough stood up from the pylon he had been directed to remain on and began intentionally talking over Ofc. Foote. I told Stough to be quiet while Ofc. Foote was speaking and he continued talking. Ofc. Foote told me when he arrived on scene he observed Stough being restrained by the witness Jerald M Lane. When Ofc. Foote interceded and took Stough by the arm and directed him away from the other party until he could figure out what was going on Stough yanked away from Ofc. Foote saying "get the fuck of me." At that point Ofc. Foote detained Stough by handcuffing.

During this time Stough continued trying to talk over Ofc. Foote. I decided to place Stough in my marked patrol unit to separate him as he was agitated and uncooperative.

I then approached Annabelle Sanchez who was seated on the sidewalk of the Law firm. I identified myself and asked Sanchez what had happened. She told me she was with her boyfriend, Stough, who was there to get some papers. Sanchez said she guess the papers belonged to Paul Bays and he told them they could not leave with the papers. She told me an altercation ensued and that Crystal Campion had snatched some papers from her and assaulted her. Sanchez said she grabbed Campion by the hair to defend herself. Sanchez then told me "go look at her, she is not the bloody one." I tried to explain that I was just asking Sanchez her side of the story. Sanchez appeared to get agitated and said "me and my boyfriend tried to get some papers and leave Mr. Bays and Crystal fucking came out and wouldn't let us leave." Sanchez had some minor facial injuries and abrasions. Photographs were taken of her injuries.

I entered the building and spoke with Bays in his office. Bays told me he was in his office in a meeting where Stough was supposed sign papers terminating his parental rights. Bays said when he presented the papers to Stough, he took them and stormed out of the office. He said he told Stough he could not leave with the papers as they were property of the office. Bays said Stough ignored him and continued out to the parking lot. Bays said he confronted Stough again telling him to return his property. Bays said when he reached for the papers Stough threw him down on the hood of Stough's car and began hitting him. Bays had facial injuries and abrasions which were photographed. I observed Bays was missing a cuff link which was laying on the ground outside and his tie was crooked. He told me that Sanchez had grabbed him by the tie and was hitting him also. Bays said at no time did he strike Stough or Sanchez back. Bays completed a written statement, which is attached.

I then spoke with Campion in Bays office. Campion told me she was in the office

when Bays presented the papers to Stough and Stough left with the papers. She told me Bays followed Stough telling him he could not leave with the papers. Campion told me when Bays reached for the papers Stough slammed Bays on the hood of his vehicle and began hitting Bays. She told me Bays was able to get away from Stough with the assistance of Lane. Campion told me Bays instructed her to return to the office with the papers in question when she was attacked from behind by Sanchez who she said grabbed her by the hair. Campion told me Sanchez punched her, kicked her, and pulled out her hair. Campion told me Sanchez broke her cell phone as well. Her injuries were photographed and she completed a written statement.

I spoke with Lane in a conference room. I asked Lane if he was familiar with or knew any of the people involved in this case. Lane told me the only person he knew was Bays as he had an appointment with him at 1pm. He told me he saw Bays follow Stough out of the office, but he did not hear what was said. Lane said he then heard a commotion outside of the office. When he came out he told me he saw Stough yelling at Bays and trying to fight him. He said Stough pushed Bays onto the hood of car and started punching Bays in the face. Lane said he stopped Stough from assaulting Bays. He said once he let Stough go he went after Bays again and that's when he placed Stough in a full nelson hold until the Police arrived. He told me while waiting Police arrival he observed Sanchez assault Bays by grabbing his tie and punching him in the face. Lane said he also saw Sanchez assault Campion by punching her and grabbing her by the hair. I requested Lane complete a written statement which is attached to this report.

Based on the statements of Lane, Bays, and Campion I attempted to question Sanchez to get clarification of her original statement. But Sanchez continued to repeat the same statement. She was taken into custody by handcuffing at 1327 hours. Sanchez began yelling questioning if Campion was being arrested also. I advised Sanchez to be concerned with her situation at the moment. She was placed in a marked unit for transport. Sanchez was advised of her Miranda rights to which she said she understood.

I then approached Stough who had been removed from the patrol unit and advised him of his Miranda rights since he was detained by handcuffing. I intended to question Stough about his involvement in this case based on the information I had so far. Stough asked if he was under arrest. I told Stough he was under arrest at this time and he told me "then I need an attorney." I took this as Stough invoking his right to counsel. Stough was arrested at 1333 hours.

Both Sanchez and Stough were transported to the Sierra Vista Police Department for arrest booking and processing. While in the booking area Sanchez demanded Campion be arrested and she wanted to press charges for assault. When I attempted to question Sanchez to clarify what occurred she became verbally antagonistic. Sanchez account of what occurred lacked detail and was different than what was provided by the victims and witness.

During the booking process Sanchez complained she was assaulted by Campion and believed she sustained a concussion. I intended to transport Sanchez to the Canyon Vista Medical Center Emergency Room for a medical clearance. After completing booking I attempted to place handcuffs on Sanchez to transport her to the Cochise County Jail when she collapsed in the booking area. I summoned Sierra Vista Fire & Medical to attend to Sanchez who now refused medical attention and transport to the hospital.

I transported Sanchez to the ER and again she refused medical treatment.

Sanchez was transported to the Cochise County Jail where she remained in custody.

The following day Sanchez and Stough came to the Sierra Vista Police Department to make statements reference this case. I provided both subjects blank written statement forms. While completing his written statement Stough was continually being verbally antagonistic towards me. I collected the written statements and they are included in this report.

Common supplemental narrative for:

On 09/18/18, at 1305 hours, I was dispatched as a back-up officer to a Disorderly Conduct call at 100 S. 7th Street, the Bays Law building. When I arrived on scene there were several people in the parking lot with one subject holding another subject in a full nelson type hold. When I approached the two men the black male released the smaller white male from the hold he had him in. I tried to direct the released male away from the other subject to ask what was going on, but was met with resistance so I detained the white male subject. While I was detaining the subject, he had a wadded up paper in his left hand. I instructed the subject to release the paper which he did. I placed the paper on the ground telling the other people around to leave the paper where I had placed it.

When Officer Scott, the Case Officer, arrived on scene, he placed the white male subject in the back seat of his patrol car. I went back to the location where I placed the paper on the ground that the male subject had in his hand. The paper was not there. I entered the Bays Law office and asked where the paper was that I placed on the ground. I was told by Randall Bays that the paper had been shredded and I was handed another paper. I was told the paper they handed me was an exact copy of the paper they shredded. I told R. Bays that the paper should not have been taken. He acknowledged that I told everyone to leave the paper, but said somehow the paper got shredded.

I did not get a chance to view the paper, but the male subject in custody was in possession of the paper when I arrived. The suspect said that the paper was the cause of what was happening prior to our arrival. I have no idea who the owner of that document was or what was on it, but again, the suspect had it in his possession when I arrived.

Officer Scott went to my vehicle where Stough was sitting in the back seat, and began talking with him. While I was waiting to transport Stough for Officer Scott, I took several pictures of the crime scene and uploaded them to Evidence.com.

The male subject was identified by his Arizona drivers license as Bryan Stough. I transported Stough to the Sierra Vista Police Station where his booking paperwork was completed. Officer Scott charged Stough with two counts of Assault and two counts of Disorderly Conduct, which he will cover in his report. I then transported Stough to the Cochise County Jail for incarceration without incident. My Body Worn Camera (BWC) was activated during this call and has been uploaded to Evidence.com.

On 09/18/18 I responded code three (lights and siren) to a fight in progress call at 100 S 7th Street, Bays Law.

When I arrived on scene I observed Officer Foote, PD330, struggling to detain a white male subject. I assisted Officer Foote in getting that subject in handcuffs. At that moment I was unaware of the reason the subject was being detained.

After a cursory conversation with a few of the individuals on scene, I learned there was a fight between the detained subject and the employees of the law firm.

I assisted the primary Officer, Officer Scott, PD306, by taking photos of the scene and of the injuries to the persons involved. I then gathered written statements from a few subjects inside and filled out Victim's Rights forms.

I did spend a few minutes with the detained subject talking to him. I explained to him that he was detained in handcuffs because of how agitated and uncooperative he was when we arrived. I explained the handcuffs were just as much for his safety as they were everyone else's. He was read his Miranda rights and when Officer Scott attempted to question him he asked for a lawyer.

This concludes my involvement in this case.

SUPPLEMENTAL NARRATIVE:

On September 18, 2018 at approximately 1337 hours I was dispatched as a backup officer to the address of 100 S. 7th Street for a fight in progress. Dispatch said there were several individuals fighting in the parking lot.

I activated my lights and sirens to my marked police vehicle. I arrived at the parking lot of the Bay's Law Offices. On scene was Officer Foote, PD330. He had suspect Brian Stough separated from Mr. Bays and his employees. I separated Mr. Stough's girlfriend from the incident. His girlfriend's name was Annabelle Sanchez. I sat her on the sidewalk away from officer Foote.

The case officer, Officer Scott, PD306, had arrived on scene. I sat with Ms. Sanchez while Officer Scott did his interviews with the subjects. Ms. Sanchez kept asking me why Mr. Bays wasn't being detained at this time. I told her I was not the case officer. I explained to her that Officer Scott was doing the interviews at this time.

At this time Officer Scott placed suspect Brian Stough and Annabelle Sanchez under arrest for disorderly conduct and assault. Officer Scott and Officer Foote transported both subjects to the Cochise County Sheriff's Office (CCSO) jail for incarceration.

This ends my involvement to this case. Nothing follows.
